MEMORANDUM FOR: Director of Central Intelligence

SUBJECT: Extension of Consultant Contracts for Fiscal Year 1960

1. This memorandum solicits a recommendation for approval of the Director of Central Intelligence. Such recommendation is contained in paragraph 4.

2. Attached are Forms 503, Justification for Consultants (FY 1960), completed by each office for consultants on their rolls in Fiscal Year 1959 whose services are desired in Fiscal Year 1960. Each Form 503 reflects the reason the consultant's services will be required and the anticipated number of days during the Fiscal Year 1960 his services will be utilized. Security approval has been granted for the extension of these contracts.

3. Also attached is a summary of the number of consultants whose services have been extended for Fiscal Year 1960 with comparative figures, by office, for Fiscal Year 1959. The large number of consultants for the Office of Personnel are university contracts for recruitment purposes and represent a small expenditure in consultant fees.

4. It is recommended that you approve the extension of the consultants, for whom Forms 503 are attached, for the Fiscal Year 1960. Upon your approval of this recommendation, we will process the individual Forms 503.
